PAN AMERICAN WORLD AIRWAYS

SERVING ALL SIX CONTINENTS

*At Your
Service*

Pan American World Airways System is founded upon a sincere endeavor to render the finest possible service to its passengers. This is reflected in its modern equipment; its alert, highly trained personnel. You are considered, and treated as our guest — due every possible courtesy — from the time you make your reservations until completion of your trip. I shall consider it a distinct favor if you will address to me, personally, any suggestions as to how this service may be improved in any of its phases.
